### Kanemorado Notes

Closed meetings at Norcatur on evening of June 2. Preached twelve sermons. Immediate results, one by relation, formerly a member of G. B's., two by confession.

We met with more downright prejudice to the square inch in this place than ever encountered before. Religiously it was Disciples, Methodists, United Brethren and Lutherans. The devil in almost every form came to the services. We encountered two circus shows, two church festivals, three free "Masonic lectures" and a fair amount of rain for Western Kansas. But praise God, who giveth the victory through faith. There are but few faithful ones in this locality, but they are rich in Jesus' name and are determined to continue in Jesus' name. Our simple Bible doctrines seemingly were poisonous to the denominational part of the town for some reason. There was no disposition on the part of the citizens to entertain the stranger, "be he ever so angelic," and had it not been for the generous Christ-like few the preacher would have been left to pay a hotel bill.

In the vicinity are some excellent people and I am happy to record that they know how to royally entertain. Though not all Christians they are hospitable and kind.

Brother Ora L. Brown will continue a regular appointment in the future and we believe others will very soon embrace the "whole truth."

Will go to Maple Grove colony over Lord's day and from thence to Beaver City, Neb. Will remain but a short time to assist in arranging program for district conference. From Beaver City to Carleton and Falls City. Hope that in these churches something may be done to assist in the district work. From thence via home to Oklahoma for a season.

To those who have requested meetings would say, try and be patient brethren, and we will reach you by and by. Pray for us and the success of the work.

### Notes from Zed H. Copp

#### DAYTON

The children of God in the Brethren church of this city met and celebrated the mysteries of the holy communion Saturday night, 4th. There were forty-seven at Father's table. It was a glorious season of soul strength and spirit growth. There are many true and tried workers here who are laboring together with God. This church is destined to become great in numbers and powerful in influence, if she continues in well doing.

We said last week that the work required grit, grace, energy and patience; we now want to add "greenbacks." The National Mission Board pays nothing; the State Board ten dollars; rent and grocery bills are yet only partly paid. "They that preach the gospel should live by the gospel."

Sister Charlotte Bond and Mollie Prots-

man were chosen delegates to the state conference.

#### MIAMISBURG

At a special meeting Sunday night, 5th, after preaching, it was decided to hold communion service, Saturday night, July 2.

Sunday night, 19 inst., the Sunday-school will observe children's day with appropriate ceremonies. Brother William Beechler, superintendent—the right man in the right place—with his corps of live workers insures a successful and profitable occasion.

#### GENERAL

At the request of sister John F. Puterbaugh, brothers Henry Murr, Peter Shank and myself administered to her the sacrament of anointing with oil in the name of the Lord, Saturday afternoon, 4th. Our sister is a child of faith who has been sick—pronounced incurably so by three physicians—since the beginning of the year. Her cheerfulness, patience, hopefulness is a positive inspiration. May the Lord raise her up, and also sustain those who are so tenderly caring for her.

Dayton, Bear Creek and Miamisburg will observe Missionary Sunday.

The three dear children of God who confessed Jesus Christ as the Savior of their souls and the Lord of their life, were baptized in Wolf Creek Saturday evening, just before communion. They feared not the water. 1854 W. 3rd St., Dayton, Ohio.

#### Pittsburgh, Ohio

By request of the church at this place bro. C. L. Eccard met with us and ordained brother William H. Cadwallader to the ministry and eldership by the unanimous consent of every one present. The church here seems to work together harmoniously and expect to make a strong effort to build a convenient house for worship. May the Lord bless them.

It is easy finding reasons why other folks should be patient.

#### Chicago, Ill

In your kind letter to the Juniors you asked what we had been doing. Now I will tell you some of the work we have done and lessons we have studied. I am but a little Junior and this is my first letter to you. Our Junior K. C.'s meet every Sunday at three o'clock and our dear sister Sadie Gibbons is our leader. We have been trying to do good in getting other children to come to our Sunday school and Juniors. We have had very good lessons and learned a great deal from them. We are working now and saving our pennies to help buy an organ for our Sunday school. This is all for this time, so goodbye.

Your loving friend,

CLARA MCCOLLOSTER.
